The Work (as defined below) is provided under the terms of this Licence (or later versions of this Licence published by the European Commission). 'Use' means any act which is restricted by copyright or database rights, whether in the original medium or in any other medium, and includes, without limitation, distributing, copying, adapting, or modifying as may be technically necessary to use the Work in a different mode or format. It includes 're-Use', meaning the use, communication to the public and/or distribution of the Works for purposes other than the initial purpose for which the Work was produced.

## 3. Rights

You are herewith granted a worldwide, royalty-free, perpetual, non-exclusive Licence to Use and re-Use the Works and any modifications thereof for any commercial and non-commercial purpose allowed by the law, provided that the following conditions are met:

#### **4. No Warranty**

Each Work is provided 'as is' without, to the full extent permitted by law, representations, warranties, obligations and liabilities of any kind, either express or implied, including, but not limited to, any implied warranty of merchantability, integration, satisfactory quality and fitness for a particular purpose.

Except in the cases of wilful misconduct or damages directly caused to natural persons, the Owner will not be liable for any incidental, consequential, direct or indirect damages, including, but not limited to, the loss of data, lost profits or any other financial loss arising from the use of, or inability to use, the Work even if the Owner has been notified of the possibility of such loss, damages, claims or costs, or for any claim by any third party. The Owner may be liable under national statutory product liability laws as far as such laws apply to the Work.
